

Vice President Report

I transitioned to the VP role mid-year. Laurie has been instrumental in helping me gain a deeper understanding of the needs of the membership and connecting me with the partners that MWSL relies on to facilitate the soccer league.

This year I have worked with the Board of Directors towards our goal of providing a fair, member focused, transparent league that promotes the development and inclusion of women in soccer for life.

I am committed to working with the Jo-Dee, Laurie and all the Directors towards a dedicated focus on membership growth for 2016 and beyond.

Jacqueline Holwill
Vice President
