

### **Discipline Report 2016-17**

1. Review total card count. # of Reds 21 a drop from 59 last year , # of Yellows 338 a drop from 547, # of Coach Ejection 3 a drop from 11 last year
2. Remind membership of the importance of using Official MWSL game rosters. This comes with growing concern of ineligible and illegal players being used. This will be even more important going forward with the new ID card process.
3. This year we had a number of serious injuries, I would like to remind everyone to be careful out there and to respect each other. We understand the desire to play hard but let's keep in mind that it is a game and we all want to continue playing the game we all love.

Tom Kristensen  
MWSL Discipline Chair
