

## Presidents Report 2016-2017

Well that is another season in the books and what a season it was... Mother Nature threw her very worst at us and yet we still managed to put that season to bed. I hope she will be kinder to us this upcoming year.

Provincial Champions this year were A cup Richmond FC. B Cup aka Leeta Slokowski cup was North Shore Girls Hearts. The Classics Champion was Metro Ford Classics. Congrats to all the winners.

Once again we supported BC Soccer and served on various committee's from Competitions to Adult Soccer.

There has been an increase in complaints against coaches calling out opposing player's looks, body types and skill levels. There is no room at MWSL for that. Remember as silly as it sounds you are representing your team, club and league so make sure you represent well.

Wishing you all the best with your upcoming season

Yours in Soccer

Laurie Robertson
