

Soccer Hall of Fame British Columbia  
October 16, 2020

Dear Members of Surrey United Premier Women's (2004-2014),

It is with great pleasure that I officially welcome you as a member of the new Soccer Hall of Fame of British Columbia, in the Teams of Distinction category!

This initiative was introduced at last year's BC Soccer AGM with the subsequent launch of a virtual web site ([heritage.bcsoccer.net](http://heritage.bcsoccer.net)). Upon completion of BC Soccer's proposed new corporate headquarters, our aim is to feature a physical Hall as part of our entrance/foyer.

This was the first year that new nominations were reviewed and inducted by a selection panel based on BC-specific criteria. Given your achievements and contributions to soccer in our province, we are thrilled that you are now officially a member of the Provincial Soccer Hall of Fame.

Over the coming weeks, committee members may contact you to gather more information to complete your biography. To support this, could you please respond and provide your physical mailing address as we wish to provide you with a Soccer Hall of Fame of British Columbia certificate.

Again, sincere congratulations on creating the foundation of excellence on which this new Hall of Fame is being built.

Sincerely,

A handwritten signature in black ink, appearing to read "Kjeld Brodsgaard".

Kjeld Brodsgaard,  
President, BC Soccer
