

Presidents Report 2019 - 2020

We were fortunate to complete our season last year with only a few teams to be sorted out for Promotion or Relegation. Unfortunately due to the start of the Covid Pandemic, we had to cancel our League Championships and all other soccer related activities moving forward. So as it stands now, with no set time to begin in the near future, we are in a holding pattern until we are given the go ahead by Viasport and the Provincial Health Authorities.

As a Board, we are still trying to keep the hope alive that we will be able to offer some kind of programming in the New Year. Possibly a 7 v 7 tournament to begin or further down the road to a Spring Season. We hope to continue our Soccer for the New Player programs as soon as we are able. We must continue to plan for the New Year as all we can do is keep our fingers crossed and await word as to when we can try to begin again.

Our immediate aim is to keep the members as informed as we can with regular updates to our website and to assure everyone that we have not forgotten or given up on anyone. Please continue to check in with us on-line and if there are any questions, to please direct them to the Board or to the league Admin

We would encourage all Coaches and Managers to be as informed as possible by reading our New rules and By-laws and for the time being, continue to do your part to stay safe and Stay healthy until we can all meet again on the fields of the future.

Thank You all,

Albert Stewart – Acting President
